Welcome to the 61st annual Lazy JS Ranch Production Sale. We are excited about this year's offering. This is our last set of foals by PJs Jessie Bueno. He was a tremendous sire for us and was sold to Ostby's in Minnesota. His foals always have fantastic dispositions and are easy and willing to

train.

We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the country. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. Most of our mares have been ridden and used for ranch work. We are AQHA Ranching Heritage Breeders so foals are eligible for those events if you show.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome back Stearns Quarter Horses, Bob and Jan Quickstad, and TC Quarter Horses as guest consignors.

This year the sale will be broadcast via The Livestock Link if you can't be ringside. Directions to register are on page 27 or at www.thelivestocklink.com.

Please check out our websites at www.lazyjsranch.com and www.carteracres.com and view videos of most of the colts on www.facebook.com/lazyjsranch. Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day, Saturday, August 15!

SWEET SANDY TIVIO

JB has been a great sire for us over the years. He goes back to the immortal cow horse sire, Poco Tivio, on the top, and the reserve world champion cutting horse, Jessie James on the bottom. Splash in a little speed on the bottom with Jet Smooth and you have a recipe for colts that can do anything. He sires good foot and bone, and most importantly a great mind. We hear from customers that have purchased colts by JB and they rave about how trainable they are.

HAYDEN WANO

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearn's Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

REFERENCE SIRE

Starlights Boon is a smooth moving, cowy, and athletic son of Starlights Lenny who earned \$4,890 and his NCHA COA. Grays Starlight is an all time leading sire of over \$10 million in cutting, reining, and cow horse events and has proven to be one of the most versatile sires in the industry. Peptos Stylish Oak is the sire of nearly \$4 million in cutting earners. Boon's dam is a good sized mare standing at 15 hands and she is a full sister to the 2008 Colorado Reined Cowhorse Fall Futurity Champion, Peptos Pretty Pep. We are pleased with this set of foals by Boon.

INTRODUCING IN 2021

Remington is a beautiful bay roan stallion we will be introducing in 2021. He is an own son of our great cross of LJSR Poco Hook and WMF Ultima. We think highly of this duo as we've kept three of their offspring. Tressa rides a full brother, LJSR Red River, and his full sister is LJSR Roan Chinook, dam of lot #2. Remington was started by Tucker Dale last fall and he was easy going and took things in stride. We are excited to see what he produces.

While pretty much everything in life has changed in 2020, our commitment to quality has not! We are pleased to bring you what we think is a superb set of colts by all three stallions; the easiest overall to halter break that we've had! We've enrolled Skye in the Iowa Ranch Horse Breeder's Futurity so his foals will be eligible for their futurity in September 2021 upon their enrollment. This year with all life's restrictions, we've added online bidding to make it easier for you...we will also consider partial delivery if arrangements are made ahead of the sale. Please join us for an open house to see the foals with their moms and the stallions on **Saturday, August 1, 2020 from 5-8 p.m.**

REFERENCE SIRE

RC puts really nice heads and powerful rear ends on his foals; the kind that can go all day or drag steers around. Not to mention, they are very docile colts and largely very easy to train. This past June, a gelding by RC was selected for the prestigious Diamonds in the Desert Premier Horse Sale in Reno, NV. Selections must pass a battery of tests to make the cut; everything from conformation to ability and disposition. Only 75 are chosen...should give a person a lot of confidence buying his foals!

Looking for a BIG, good-looking blue roan gelding? This guy is the ticket. A gorgeous 3-year-old full brother is in training for mounted shooting... so he should be versatile too!

I want to thank the Silha family for inviting me to sell my colts with them again this year. Also I want to thank Russ, Blaine, Kenzie and Teagan for supporting me in this hobby! The pictures were taken in June so the colts will change a lot by sale date. The babies will have been haltered and will have their Coggins tests and hopefully I will have all the papers back by sale day. My phone number is 701-279-5867, cell 701-440-8438, Russ Homelvig 701-289-6338. Thank you.

REFERENCE SIRE

Copper Gold Jackson (aka Bub) produces big boned, powerful offspring. He is a gentle giant and passes this trait to his offspring. The colts are solid boned and muscular, so they should be able to push, pull, or drag anything.

NATIVE BAR CARONA

2015 Bay Stallion • #5664990

Russ and Blaine own Native Bar Carona (aka Bravo). I just borrowed him last year. LOL! I wanted to try him on three mares I picked out and it worked out so well that I am borrowing him again this year and breeding six to him. I wanted to try a smaller stud with my High Rolling Roanie mares. Bravo has a nice easy disposition and wants his head pat from me every morning.
