Welcome to our 56th annual Quarter Horse Production Sale! It's a hectic time, but also one of our favorite times as we gather with family, old friends, and new ones we meet sale day.

We have been fortunate over the years to have raised some really good horses that have excelled on the ranch and in arenas across the

country. We bred a World Show Qualifier, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners.

Most of our mares have been ridden and used for ranch work. We are currently riding sons and daughters of all three stallions and they are good horses and have been easy to train. We put quite a few mares with different stallions this year and are pleased with the results.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome Turner Performance Horses as a new guest consignor.

Please check out our website at www.lazyjsranch.com and view videos of some of the colts on www.facebook.com/lazyjsranch.

Make sure you join us at the ranch on sale day. Come view the colts with their mothers and join us for lunch and of course, pie and coffee! We look forward to seeing you on sale day!

Moving cattle across the prairie on LJSR horses.

Hook is producing outstanding foals with trainable dispositions, athleticism and frequently halter-quality conformation. We are currently riding a son and daughter. Both were easy to train, extremely smart, cowey, and love people. We gathered cows on LJSR Left Hook the first time out of the corral.

LJSR Poco Hook **1996 Red Roan Stallion • #3448119**

This cow-bred stallion has exceeded our expectations. His foals have his fabulous dispositions, are easily trained, and are making great riding horses. The daughters we've kept are great producers.

PJs Jessie Bueno **1997 Dun Stallion • #3578222**

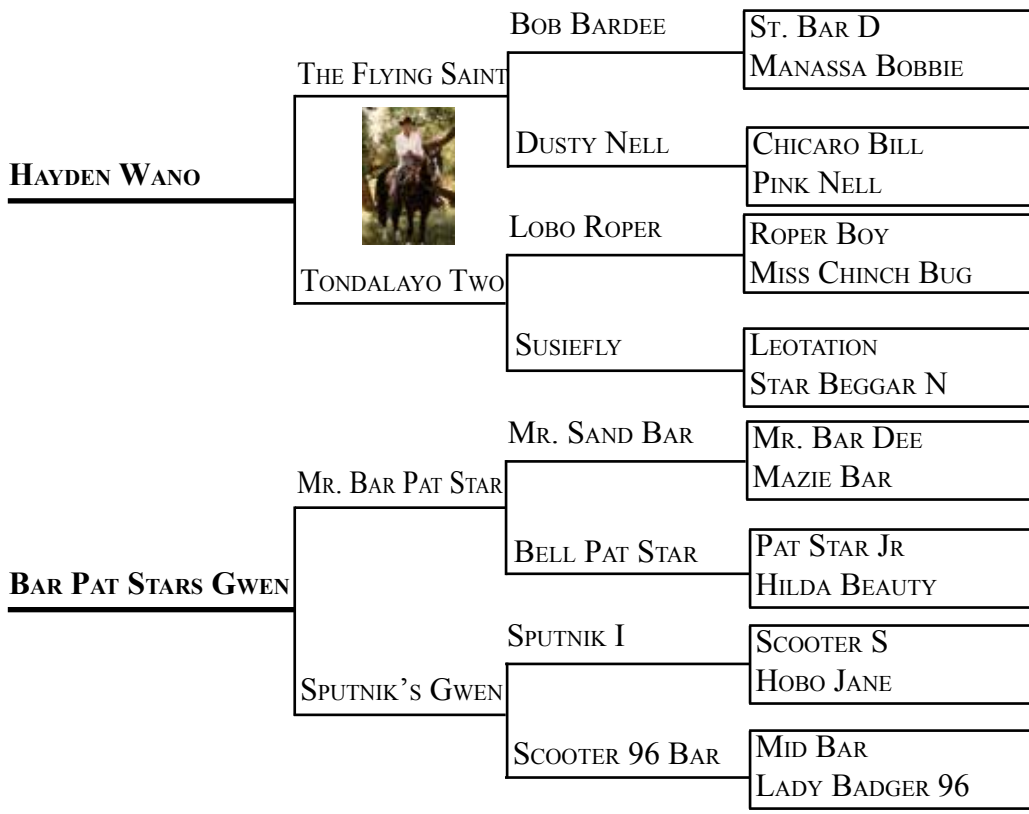

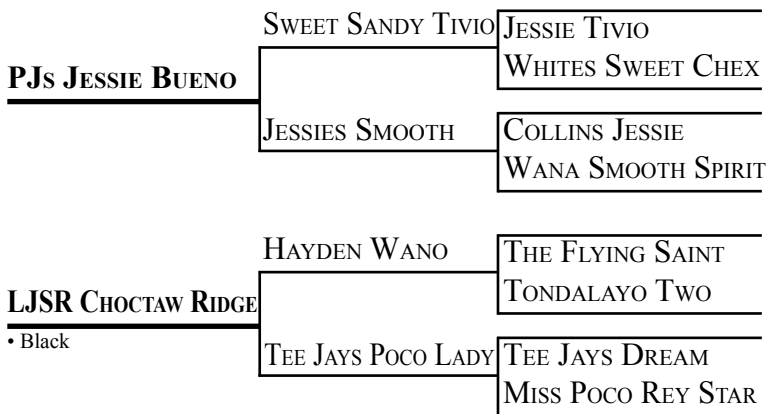

This black son of Hayden Wano is out producing his sire. His grand sire, The Flying Saint, was a race winner and grand champion at halter, and was the sire of World Show Qualifiers, Justin Rookie of the Year Award winner and Solid Gold Barrel Race winners. His mother's sire, Mr. Bar Pat Star, was an AQHA Champion. Speed and conformation and cowy, too.

NADACARTER@CARTERACRES.COM • 26708 COUNTY ROAD 10, STARBUCK, MINNESOTA • 320-424-2957

Welcome to Carter Acres! We are grateful to once again be included in the LJSR sale. As producers come and go, I think you'd agree that 56 years doesn't happen by accident! We are proud to be a small part of its heritage. If you've always wanted a Fancy Cut Diamonds foal, this better be the year as this is our last crop of foals by Tex since we sold him last fall. RC is definitely adding some size to our colt crop. We were pleased to learn that a gelding we bred was the 2nd high selling horse at \$9750 in the Southwest Select Horse Sale in Bowman this spring. We look forward to your calls and please join us for a **preview at our home on August 14, 2015 from 5-8 pm.**

REFERENCE SIRE

Fancy Cut Diamonds, affectionately known as Tex, has done for our program just what we had hoped. He has produced a consistent set of well-balanced, keen headed, big hipped colts that should excel in any discipline. Best of all, the foals are kind, quiet, easy to handle and have a pedigree that is highly marketable.

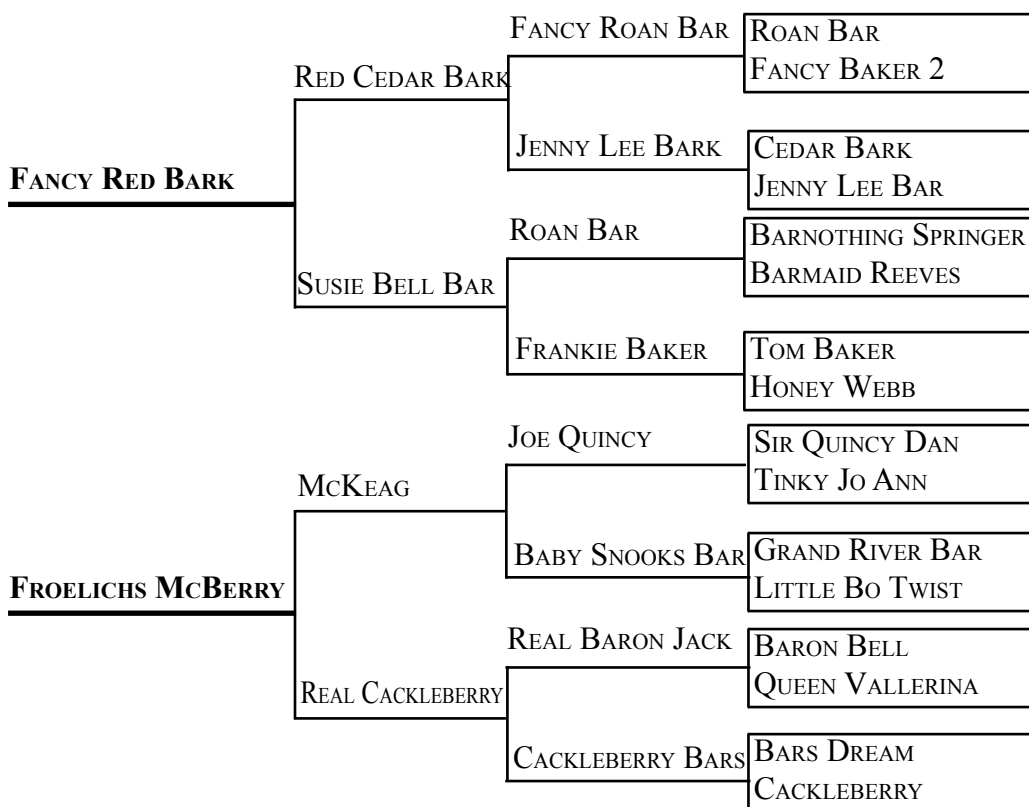

FANCY CUT DIAMONDS 2003 BUCKSKIN Stallion • #4360136

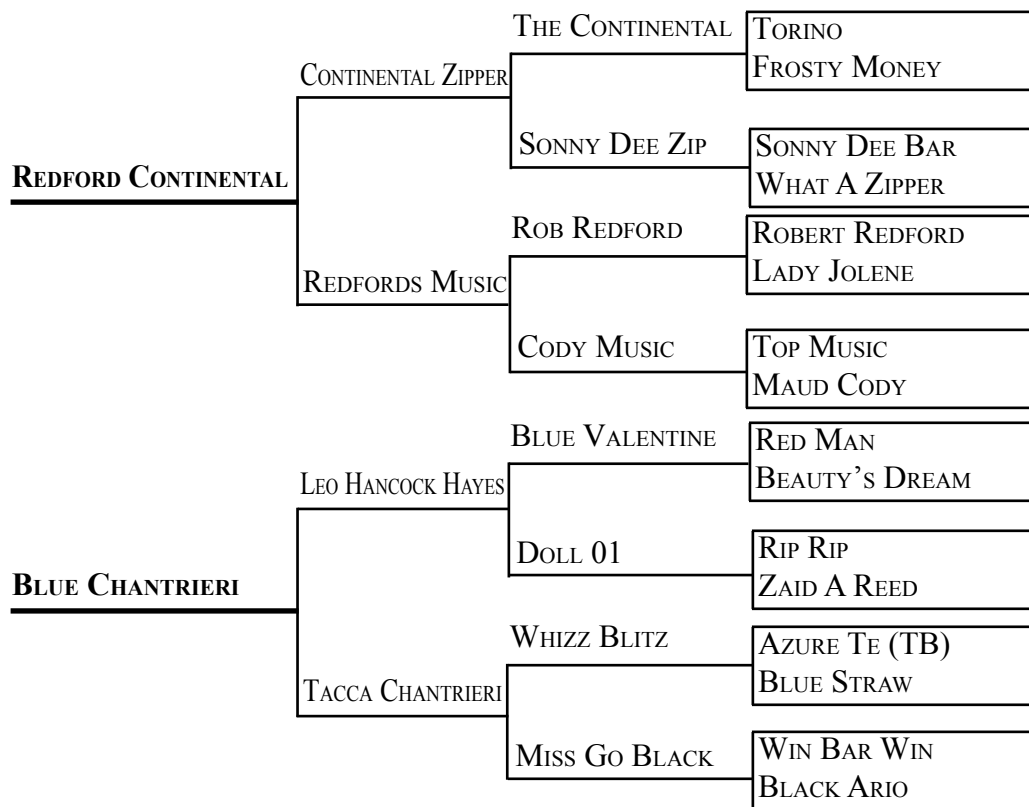

We have found several mares that cross with Sterling exceptionally well. Long legs, keen heads, packed with muscle, these foals will get you noticed. Sterling's colts especially love people—several will walk right up to us in the pasture which is quite extraordinary for babies.

LJSR STERLING ROAN 2005 RED ROAN Stallion • #4653604

RC is doing exactly what we hoped he would; adding some size and power packing hips. His colts also seem to have his superior disposition.

Qtee is a delightful and well made buttermilk buckskin gelding. Stands 15 hands, has a lot of bone and muscle. Has been ridden extensively on the ranch in all phases. Good with his feet in rough terrain, a point and go type of horse, crosses water, bridges and logs with ease. Has carried flags in parades and will ride bareback in a halter. A real fun horse if you're needing to get a job done or just enjoy a ride out on the ranch. Qtee is also a team roping and breakaway horse, has a lot of score, can run, rate and drag his tail when you ask him to stop. Not scared of new sights, and will ride out alone and walk home. FMI and videos visit www.TurnerPerformanceHorses.com or phone (406) 381-2347. He is always a horse who gets a lot of attention!

Jack is a real fancy made buttermilk buckskin gelding. He has conformation that is faultless, stands 15 1/2 hands and has a lot of bone and muscling. Has been ranched on and ridden in rough terrain, he is tough footed, and really careful with his feet. Has a laid back personality, gets along well with other horses, stands tied, loads, and shoes. One that will walk up to you in the corral and enjoys attention. Has a good neck rein, side passes, backs readily and can stop. Jack is so easy on the eyes and always gets compliments.
